Dear Mrs. Tumber,

After due reconsideration, the Board of Trustees has ~~concluded that its~~ determined to reconfirm its earlier decision to hire a new Directress of the Neighborhood House effective June 1, 1983. I believe you were advised of this decision orally by our President sometime in February. Our agreement with you calls for 30 days notice to terminate. The Board feels that notice in excess of three months should be ~~quite~~ more than adequate and we trust you will honor your obligation ~~and~~ ^{by} vacating the apartment by June 1. We regret any inconvenience or discomfort this may cause you. However, we deem it to be necessary for the continuation ~~and quality~~ of the service rendered by our organization.
