Dr. David Edwards
East Hampton, N. Y.

Dear Dr. Edwards:

On July 6th Mr. C. R. Sleight addressed a communication to all present directors of the East Hampton Visiting Nurse Association Inc. with the suggestion that a meeting be held in the near future with a view of organizing and electing officers. In view of the fact that neither Mr. Sleight nor I were reelected directors our authority as officers of this corporation ceased on July 5th. Therefore Mr. Sleight, former treasurer, is not able to pay Miss Oberhaueser her wages and I am informed that no organization meeting has been held. I write this to you in order to clear up any possible misunderstanding and I think it will be necessary for someone to take the initiative to call such a meeting. It is my belief that it would be in order for any one of the directors to do that and if you can and will do so, I am sure your action will be very helpful.

As I explained at the meeting I did not think it wise for either Mr. Sleight or myself to be elected and I am still of the opinion that if you can get Mrs. L. F. Bishop Jr. to serve as President you will be making a wise selection for she has done very fine work for this organization in the past and I hope she will be willing to continue.

With every good wish,

Sincerely yours,

Nelson C. Osborne
