Re: Three Mile Harbor Road
and Olive Pharaoh

Dear Mrs. Usher:

We have just received the survey by Mr. Wood of the property of Olive Pharaoh and enclose a print of the survey. We also enclose a proposed boundary line agreement between you and Miss Pharaoh in triplicate. If the agreement appears in order, we request that your President sign the agreement at the place indicated before a Notary Public, impress the corporate seal and return all of the agreements to us. We will have Miss Pharaoh sign the agreement and return a fully signed copy to you.

In the event that you incur any expense in this matter, we will be glad to reimburse you therefor.

Very truly yours,

HAMLIN, MICHNE & ESPACH
