~~Re: Olive Pharaoh Property~~

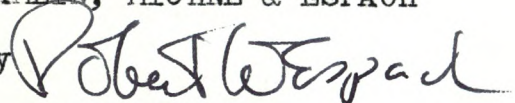

We thank you for your reply to our letter regarding the above. We are attempting to secure a survey of the premises from our surveyor, Melville C. Wood of East Hampton, N. Y. Mr. Wood advises that he has the necessary information, but that he must correlate it and put it on paper.

As soon as we receive the survey from him, we shall forward a copy to you with a proposed boundary line agreement for your consideration.

Very truly yours,

HAMLIN, MICHNE & ESPACH
