Re: Estate of Matilda Ackley Donoho

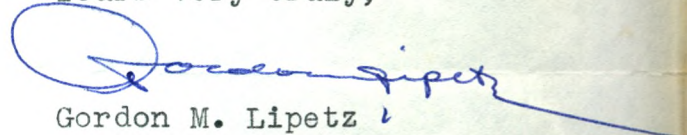

Dear Mrs. Usher:

I am pleased to enclose herewith checks of the Suffolk County National Bank, as Successor Trustee under the Will of Matilda Ackley Donoho, to the order of East Hampton Settlement House for \$1973.70, representing the principal of one-quarter of the (b) and (d) trusts directed to be paid by the Surrogate's decree entered on October 28, 1963, and for \$44.28 to cover the interest earned by said funds since the death of Herbert S. Keffer on November 18, 1962.

The checks are made payable to East Hampton Settlement House because that is the name by which the organization is mentioned in Mrs. Donoho's Will.

Thank you for signing and returning the releases so promptly.

Yours very truly,

  
Gordon M. Lipetz
