Re: Estate of Matilda Ackley Donoho

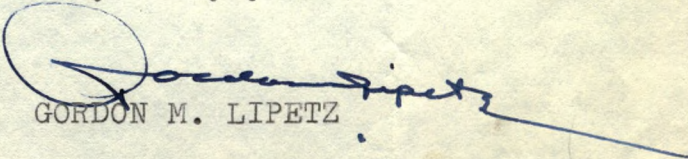

Dear Mrs. Howard:

I represent The Suffolk County National Bank, of Riverhead, which is the Successor Trustee under the Last Will and Testament of Matilda Ackley Donoho.

The East Hampton Settlement House was named in Mrs. Donoho's Will as remainderman under several trusts. The life beneficiary of two of the trusts has now died and The Suffolk County National Bank is ready to distribute the corpus of those two trusts, which amounts to \$5,255.67. Three-fourths of that sum is payable to the Southampton Hospital Association and one-fourth thereof, or \$1313.92, is payable to the East Hampton Settlement House.

Before the Bank can make payment a proper Receipt and Release for the legacy will have to be executed by the East Hampton Settlement House. I do not know if it is a corporation or an association, or who the officers or trustees are, and I will need that information to prepare the Receipt and Release. Will you please send me such information.

Very truly yours,

GORDON M. LIPETZ
