1133 Avenue of the Americas
New York, New York 10036

Dear Mr. Heppenheimer:

Your note to Mrs. Skidmore, together with your September 20th letter to Mrs. Lester, has just been handed to me. For some reason - unknown to me - your September letter went unanswered.

We will be pleased to have our benefit golf day in September as you suggest and do appreciate the Maidstone Club being made available to us.

With best wishes for the Holiday Season, I am,

Sincerely,

(Mrs. Avis S. Usher)
