Department of the Treasury

Dear Mr. Rhodes -

Just to keep you posted - our Resident Director just sent this up to me today.

I made the required call to M. Dobbins - who was out in the field and who will call me the first of the week to set up a date.

The young lady I talked with said this was a routine audit on Tax Exempt Organizations and that when the date was set M. Dobbins would come out to East Hampton.

Hope you survived the harsh winter - out here we are all glad that there are signs of Spring - AT LAST!

As ever,

Avis
