THE REAL ESTATE BUSINESS.

NOT THE UNREAL ESTATE BUSINESS.

**LOTS OF SUMMER RENTALS AVAILABLE!**

It's tough to get  
the right loan.

"IPI explained the  
whole process to me...  
and kept it simple  
by explaining it to  
everyone else for me.  
They saved me a lot  
of time and money."

## IPI introduces our One Step construction loan. Great rates. Zero points. Single closing.

At IPI, we understand just how difficult it can be to buy land and to build your dream house. Typically, you'd start with a short-term land loan, then go to a construction loan and finally an "end loan" or conventional mortgage. And typically, you'd pay points or fees every step of the way. Not to mention the aggravation of separate closings.

Not anymore. IPI is proud to announce our One Step construction loan. It's the only zero-point, single-closing land/construction/end loan available that is underwritten entirely on site in our Main Street, Bridgehampton office. This comprehensive program offers you a single interest rate for all three phases of your project, from beginning to end. And most important, IPI locks in your interest rate—in advance, at no additional cost—for 12 months, not for 60 days like other brokers or banks.

We can offer innovative programs like our One Step construction loan because we've consolidated our loan officers, processors, underwriters and closers under one roof. Our experienced mortgage professionals represent more than 100 preferred lenders, so we can find the best possible program at the best possible price for you. And because IPI is the largest mortgage broker in the Northeast, you get the best of two worlds: *New York big* and *Hamptons local*.

At IPI, we hammer out all the details  
of our One Step construction loans  
up front — so you don't get  
hammered by unnecessary fees.

## South O' the Highway (and North, too)

Proof copies of **Susan Isaacs'** new novel *Red, White and Blue*, scheduled for November publication, are making the rounds. Word is it is another winner from the extraordinary pen of this Bridgehampton woman.

Southampton Hospital has had a parting of the ways with its dynamic President, **John Ferry**. The sad moral of the story seems to be that sometimes you can have too many good ideas. The Hospital's finances are strained. There are a lot of bad feelings. We will miss Dr. Ferry and his beautiful wife **Karen**.

Southampton entertainment lawyer **Wallace Collins** has won another suit, this time representing Emergency Music and **Sergio Cossa** in a successful copyright infringement case against the rap group Tag Team for their hit "Whoomp! There It Is." Emergency Music was awarded nearly three quarters of a million dollars and all future revenues brought in by "Whoomp..." The suit claimed that "Whoomp..." used a 'sample' in its rap song, "I'm Ready," which was owned by Emergency. This is believed to be the largest award ever for a 'sample' infringement. Collins has, in the past, represented **Blondie, Bobby Brown, Dru Hill** and **Eddy Grant**.

We bid a fond farewell to former *Dan's Papers* Assistant Editor, Southampton Town Planning Department Assistant and outgoing Director of Coastal Stewards for the Nature Conservancy **Jill N. Ozarski**. She leaves Southampton after five short years to seek greener pastures at Duke University in Raleigh, NC, having matriculated in the Coastal Ecology/Political Science Masters Degree program. Stop by and see us when you're in town, Jill!

Among those attending the East Hampton premiere of *A Soldier's Daughter Never Cries* from the book by **Kaylie Jones** of Sagaponack, were **Salman Rushdie** and his son **Zafar**, **Norman Mailer** and his wife **Norris Church**, playwright **Arthur Miller**, **Kurt Vonnegut**, **E. L. Doctorow** and **Peter Mathiessen**. The film is from October Films, and among those present were its star, **Leelee Sobieski**, sporting jewels from Hollis Reh & Shariff of Southampton.

A Kenneth Cole Warehouse Sale will take place in Hardscrabble Village in East Hampton August 27 to September 7 to benefit AmFAR. It is called the "Tour for the Cure." A similar sale will take place at Life's a Beach in Southampton on August
