

IT'S A LITTLE out of season, but we hope to know the names of the trio, the place, and the time. Or we'll settle for a few of the above. Walter Hackett of East Hampton gets a T-shirt with The Star logo, which we expect to see him wearing, for naming 1929's first and second-grade Springs students in last week's mystery photo. From left, he reports, they are Wilmer Betkin, Bob Talmage, Betty Wood, the young Walter Hackett, Dorothy Watson, Ada Quinn, Louise Talmage, Marguerite Renkins, Eva Holmes, Russell Holmes, Eleanor Bennett, Elwin Harris, Charles Miller, and George Wood. Somehow, though, he forgot the name of the teacher. Can anyone help?
