Chief Robert Davis of the Springs Fire Department called the recent Las Vegas night "highly successful." The fundraiser realized between 25 and 30 percent more than anyone expected. The chief offered thanks to those who contributed. He also expressed gratitude to those who responded positively to Newsday's incorrect assessment of the Springs ambulance service.

## War Memorial

Mason Leander Arnold of Woodcrest Drive is working on the war memorial outside Ashawagh Hall. The concrete base has been poured and will cure for a week before the brickwork begins. The plaques and cannon will be installed in April.

The Springs Improvement Society is in the process of gathering information on all those listed on the memorial plaque. Anyone with information, including photographs, has been asked to leave them either at Barnes Country Store on Fireplace Road or at C.E. King and Sons on Francis Road (the dirt road that abuts Round Hearth Garden Center). Copies of the photographs will be made and the originals returned.
