Note: A quotation from a letter of explanation written by Geneva White Baird, (Mrs B.L.), a member of Southampton Colony Chapter, N.S.D.A.R., Southampton, L.I., dated February 11, 1925, to Mrs Frank H. Parcells, 409 Park Place, N.Y., State Chairman Genealogical Research Committee, D.A.R. as follows: " A frien found parts of an old Bible in a tumble down wood shed at North West, and knowing I was interested brought them to me. Northwest is North and West of Easthampton and from the first settling of that town was a large settlement and harbor, but within the last forty years every house has either burned down or been moved away, until there are only old orchards and stone foundations left to show that people once lived there. Have inquired in Easthampton, but find no one who remembers the name or knows where the Bible may have come from, but possibly you may piece it together with something you have. There is an old cemetery there and I hope to take the names this spring, and that give another link".

The leaves of the Bible are now in possession of Mrs Frank H. Parcells, 409 Park Place, Brooklyn, New York.

They were sent to her by Mrs. Geneva White Baird,  
Southampton Colony Chapter, N.S.D.A.R.  
Southampton, L.I. February, 1925.

The record is credited to Southampton Colony Chapter.

The Hallock Lineage 8.10

I. Peter Hallock 8.10.11.12 Original Settler.

Born about 1600 The Hallock Lineage- Peter -

Landed 1600-1909 L.I., from David Horace 840 with

12 others, all members of Presbyterian Church in Hingham, Norfolk, England, 100 miles S.E. of London. Peter Hallock was first of

13 to step ashore among the Indians on what is now known as Southampton

Hallock's Neck, Southold. He purchased Oyster Ponds (Orant) Long Island, N.Y.

from the Indians and returned to England and brought back Southold his wife who had been a Widow Howell, together with her two children, Richard and Margaret Howell. The Indians had sold Oyster Ponds so Peter purchased a new strip from the Indians, 10 miles west of Southold & two miles west of Mattituck, reaching from L.I. Sound three miles to Peconic Bay. The west part of this strip is still owned by the Howell descendants and the Hallock homestead has just left the Hallock family.

No official records exist in America which mention Peter Hallock. The records of Southold previous to 1651 have all been lost with the exception of two brief notices. His name does not appear on any passenger list of the Massachusetts Historical Collections (q.v.). The burial place of Peter Hallock is unknown. The above facts have been handed down within the Hallock family and appear in all Hallock Genealogies. We have no positive knowledge as to who the men were who constituted this Southold Church and any attempt to make a list of the early settlers must be based on inference more than actual knowledge.

II. Will The Hallock Lineage 9.10

I. Peter Hallock 9.10.11.12 Original Settler.

Born about 1600. Died ?

Landed at Southold, L.I., from New England, 1640 with 12 others, all members of Presbyterian Church in Hingham, Norfolk, England, 100 miles N.E. of London. Peter Hallock was first of 13 to step ashore among the Indians on what is now known as Hallock's Neck, Southold. He purchased Oyster Ponds (Orient) from the Indians and returned to England and brought back to Southold his wife who had been a Widow Howell, together with her two children, Richard and Margaret Howell. The Indians had re-sold Oyster Ponds so Peter purchased a new strip from the Indians, 10 miles west of Southold & two miles west of Mattituck, reaching, from L.I. Sound three miles to Peconic Bay. The west part of this strip is still owned by the Howell descendants and the Hallock homestead has just left the Hallock family.

No official records exist in America which mention Peter Hallock. The records of Southold previous to 1651 have all been lost with the exception of two brief notices. His name does not appear on any passenger list of the Massachusetts Historical Collections ( q.v.). The burial place of Peter Hallock is unknown. The above facts have been handed down within the Hallock family and appear in all Hallock Genealogies. "We have no positive knowledge as to who the men were who constituted this Southold Church and any attempt to make a list of the early settlers must be based on inference more than actual knowledge."

II. William Hallock, son of Peter

William left a will which is preserved in the ancient records of Suffolk County, at Riverhead, L.I. and New York City, dated Southold Feb. 10, 1682 and was proved Oct. 21, 1684.

The Documentary History of New York State, in a list of those taxed in the Township of Southold in 1675 gives:

William taxed on 361 pounds Sterling and John 82 pounds.

- REV. EBENEZER WHITE -

1713 - 1838

FAMILY REGISTER.

Taken from the recollections of the conversations of Grand-  
parents, in the first fifteen years of the writer's life.

Rev. Ebenezer White, Minister of a Presbyterian  
church at Bridgehampton, Long Island, came in early life,  
(it is believed) with his parents from England to America:  
located themselves in Massachusetts near Boston, he had one  
brother by the name of Thomas, who lived many years in England,  
was master of a British Packet from England to America.  
Ebenezer White, when ordained and settled at Bridgehampton,  
married a Miss Pierson, by whom he had three sons, Elnathan,  
Silvanus and Silas; also a daughter by the name of Hannah, who  
married a clergyman by the name of Rossiter; settled at  
Stonington, Connecticut.

Silvanus, second son of the Rev. Ebenezer White, was  
born 1704, was sent to Weymouth, near Boston, to attend a  
classical school, at 11 years of age, 1715. Entered Harvard  
College, Cambridge, 1719; graduated 1723, was ordained to the  
pastoral charges of the church and congregation at Southampton,  
L.I. 1727, where he labored in word and doctrine, with almost  
uninterrupted health 55 years, till October 22nd, 1782; when  
after a short illness of seven days, he was removed by death, in  
full possession of his mental powers, rejoicing in hope of a  
glorious immortality through our Lord Jesus Christ. His wife  
survived till July 24th-1783, just as many months as she was  
younger than her husband. Soon after the Rev. Silvanus White, was  
ordained at Southampton, he united in marriage with Miss Phebe  
Howell, only daughter of Hezekiah Howell, and Phebe his wife.

Mrs Howell's maiden name was Halsey; whose brothers and sisters amounted to eleven. Mrs White had two brothers, Hezekiah and Jedediah, who each left many descendents. Rev. Silvanus White and Phebe his wife, were the parents of nine children, Silvanus, Edward, Hezekiah, Daniel, Silas, Phebe, Ebenezer, Ebenezer and Henry; these all lived to marry except the first Ebenezer, who died at the age of fifteen months.

Silvanus, the eldest son of the Rev. Silvanus White and Phebe his wife, married Miss Eunice Herrick of Southampton, settled in Blooming Grove, Orange County, New York. Had four children, Phebe, Silvanus, Eunice and Nathan Herrick, Silvanus died a young man; the others married and have many descendents. Silvanus White and Eunice, his wife, lived to the advanced age of eighty years or more, and both died in one week. Edward, second son of Rev. Silvanus White and Phebe White married Miss Hannah Pelletreau, whose father, Francis Pelletreau, came when a child with his parents from France, at a time of persecution, when twelve protestant families fled to America. Edward White and Hannah, his wife, lived together ten years when he died, June 4th 1767, at the age of 36, at New Windsor, Orange Co. where he lived. Left four children, Hannah, Edward, Mary and Phebe. Mrs H. White lived a widow, till March 1st-1810, she died 74 years of age. Hannah eldest daughter, married Charles Merrill of Hartford, Conn. Edward White, married Rachel, daughter of Mr. Harry Smith, Newburgh moved to Geneva 1795; had four children, 1 son and 3 daughters, Sophia, Harry Smith, Phebe and Mary. Mary died at the age of 12 years. Edward White died August 1827, age 65 years. Harry S. White and wife both died Oct. 1833, within a few days of each other, leaving two small children. The two eldest daughters married and have families of children.

Mary, second daughter of Edward and Hannah White, died Dec. 27th-1798 age 33. Phebe, the youngest child of Edward and Hannah White married Reuben Colton, of Enfield, Mass. Mr. Colton died June 21st-1823, in the 61st year of his age at Geneseo, Livingston County, New York.

Hezekiah, third son of Rev. Silvanus White, married Miss Abigail Sayre of ~~Southampton~~ Bridgehampton, L.I. settled at Blooming-grove, Orange Co. N.Y. They died and left six children 3 sons and 3 daughters.

Daniel, the fourth son, who was a physician, located himself at Westchester, married Miss Euphemia Bartow; he lived much beloved and died much lamented in the Autumn of 1781. His widow survived him only a few years leaving six children, 2 sons and 4 daughters; Phebe, Bethsheba, Matilda, Daniel, Euphemia, and Theophilus.

Silas, the fifth son, settled at New Windsor, Orange Co. New York, by trade a silversmith, married Miss Sarah Newson. They left five children, James Tiley, Silas, Levi, Harriet and Robert. Phebe, only daughter of Rev. Silvanus White and Phebe his wife, married James Tiley of Hartford Conn. had only one child who died immediately after its birth. Mrs Tiley died Oct. 26th 1782, four days after her father.

Levi, third son of Silas White, was born at New Windsor, 1787; married Miss Ellen Cox in New York in 1813, they have 7 children, 3 sons and 4 daughters. Adelia was born in 1814, Elvira I. was born in 1816, Charles W. was born in 1818, George N. was born in 1821, Robert was born in 1824, Harriet was born in 1828, Elnora was born in 1830.

Ebenezer White, M.D. the 7th son, married Miss Helen Bartow of West Chester, sister to Mrs Daniel White. They settled at Yorktown, Westchester Co. both lived to an advanced age. The eldest child, Catherine, married Dr. Strang of Peekskill, had a numerous family, they were both numbered with the silent dead before the death of their mother White. Dr. Ebenezer and Mrs White left six sons, Bartow, Ebenezer, Henry, who are all three M.D's., Lewis, James and Theododius, most of these have numerous families. Lewis, the fourth son died Sept. 1836, at Peoria, Ill. whither he went on business, leaving a widow and twelve children to lament the loss of a most affectionately tender husband and parent.

Dr. Henry White, the 8th son, is still living at Southampton, L.I. at the advanced age of 88 years. He married first a lady from Middletown Conn., who was daughter of Rev. Nath'l Eells of M. with whom he lived for some years, after her death he married Miss Ann Stephens, by whom he had children; Hannah Eells, Silvanus, Phebe and Ann, who died in infancy. Silvanus married and has one son. Phebe married James Parker and died in about a year, left an infant three weeks old, whom the mother named Ann White. The next year Capt. James Parker married Hannah E. White, his wife's sister.

Finished this writing March 3rd-1838.  
Phebe W. Colton.

May we, dear Cousin, follow the example of our pious ancestors, that we may at death, unite with those who now, through faith and patience inherit the promises.
